

Motus Dealer Website

- + Developed for forklift dealers
- + Unbeatable price
- + Best customer service
- + Optimized for search engines & mobile devices

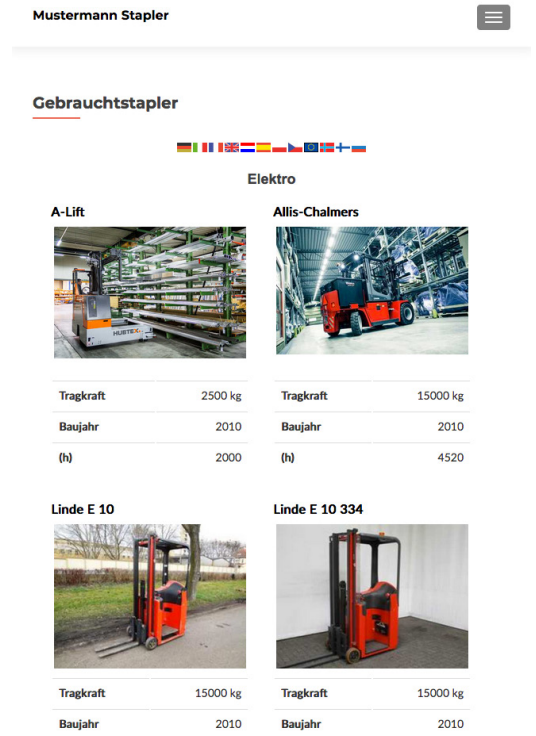

Take your online presence to the next level now

We offer state of the art websites for dealers in perfect synergy with your Forklift account!

Let us build your new modern website. Choose from different optimized designs which perfectly match your requirements. All websites are responsive and optimized for search engines (SEO).

Your used equipment stock will be synchronized from our marketplace www.forklift-international.com with your new website. Increase your online visibility today.

Benefits from your new dealerwebsite

- ✓ Built by real industry professionals
- ✓ Designed for high conversion rates
- ✓ Optimized for mobile devices
- ✓ Used machine stock will always be up to date
- ✓ Search engine optimization (SEO) included
- ✓ Highly competitive pricing
